1st March 2018

Dear parent/guardian

Changes to Educational Visits

As you are aware school arranges a variety of educational activities and school trips throughout the year all of which are designed to support pupils with topics undertaken in school.

Due to the distance of some of the trips and the sheer volume of traffic on the roads it may be necessary that some of trips will require a slightly earlier drop off and/or later collection from school.

The timings of the trips will be clearly detailed in the trip information letters that are sent home via the children.

If you have any concerns which you wish to raise please speak to a member of our senior leadership team who are out in the playground each day before and after school, and will be happy to speak to you.

Yours sincerely

Ms G Moore
Headteacher
