Dear Parent/guardian,

## Year 2 – Watches

As part of your child’s learning on time, we thought it would be a good idea for children to have an analogue watch that they could use. In school time they will be asked questions regarding time throughout their school day.

This watch will be theirs for them to take home. It would be useful for parents and carers to join us in helping our children to tell the time using their analogue watches. Some useful questions to ask your child could be:

- How many minutes past...?
- How many minutes to...?
- The news is on at seven. How long have we got?
- What time would your watch say if it were digital?
- We got home at three. How long has it been?

The loan of these watches will be free of charge. However, if the watch is lost or broken, we would ask you to pay £5 to have the watch replaced, so other children in the school can use it.

The watches will be loaned out on Wednesday 10<sup>th</sup> May until Wednesday 24<sup>th</sup> May 2017.

If you would like your child to take part, please fill out the form below and return to their class teacher as soon as possible.

Yours sincerely

Miss J Pearson and Mr A Shah
