

# Year 1 Newsletter Summer 2

## English

During this last half term of the year we will be consolidating all areas of English taught this year.

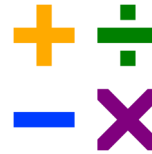

We will continue to practise our phonics skills and work on our grammar, punctuation and spelling skills in readiness for Year 2.

## Maths

Our Maths this half term will include the use of the language of position, direction and motion.

We will be continuing our work on place value, addition, subtraction, multiplication and division.

## Science

We are continuing our work about plants. We will be exploring the school grounds to find and name different plants and trees.

We are also looking at the environment in Summer, how the weather has changed and what is happening around us.

## YPC

Our topic this term is The Places People Go.

We will be finding out about different ways of travelling to places around the world. We will also be finding out about holidays in the past.

## This half term we are learning about:

### Preparing for the challenges of Year 2.

## E-Safety/Computing

This term we will be using a text and graphics programme to create stories and animated pictures.

We will continue to consider how to stay safe when using electronic devices.

## RE / PHSE

We will be covering "Being curious and valuing knowledge" and "Being open, honest and truthful" through stories and role play.

### HONESTY

## Important Information:

### PE times

1.S.Monday and Thursday

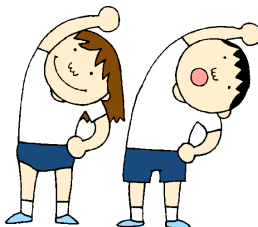

1.Q-Monday and Friday

1.R- Monday and Thursday

1.J- Wednesday and Thursday

### Homework

Reading daily.

This year we are beginning our journey to acquire the knowledge, understanding and skills we will need to manage our lives, now and in the future and to enable us to meet all the challenges we will face as we grow.
